

WHAT IS AN ACTS RETREAT?

The goals of the Cathedral ACTS Retreat are to deepen our relationship with Jesus Christ, renew ourselves spiritually, give new meaning to our prayer life and Sunday Liturgy, and build lasting friendships with members of our community.

After the retreat, participants are encouraged to continue their journey to a closer relationship with God, and to take a more active role in parish activities.

ACTS should not be thought of as a “group” or ministry, but rather as a movement which awakens parishioners to a greater desire for the love and knowledge of our Lord.
